

WHY OVER 200 CARRIERS CHOOSE TO PARTNER WITH ATBS:

Increase Retention

ATBS is a proven solution for lowering turnover among fleet Independent Contractors (ICs). Our no-fee carrier partnership is a strategic tactic that can educate your ICs, protect your fleet, and increase IC loyalty.

Boost IC Profits

ATBS sets our clients up with their own personal Business Consultant who is there to build a relationship with and coach your ICs on how to maximize their profitability by managing expenses, understand their cash flow, and minimizing their tax liability to the IRS. More profitability for your ICs means less pressure on your pay model!

Easy to Work With

With the new ATBS Mobile App, working with ATBS is now even easier for your ICs! ATBS clients can now contact their personal Business Consultant, submit pictures of receipts, and forward settlements directly through the [ATBS App](#).

Tracking Industry Trends

ATBS regularly hosts live webinars to help instruct, teach, and educate both carrier and driver participants on business & tax techniques that help shed light on industry trends, improve profits, and save on taxes. Take a look at our latest [IC Benchmark Study here](#).

Online Education Tools

ATBS offers numerous online tools at [ATBS.com](#). From per diem calendars, incorporation ebooks, to the Course of Advanced Business Standards (CABS). ATBS provides a wealth of searchable resources for your contractors on our website.

Helping Everyone Succeed

ATBS works to help everyone involved succeed. By providing your ICs with personalized business consulting, bookkeeping, and tax filings we help your ICs stay profitable and out of tax trouble. Thus, helping you build a more dependable & knowledgeable fleet of contractors, to better serve your customers, and lower your costs associated with turnover!
